

Mosaic Memorial answers to a few of your questions

What makes Mosaic Memorial different from a traditional funeral home?

Everything. With a growing trend away from “traditional funeral services.” The Mosaic Memorial plan is uniquely designed to offer an alternative for those preferring simple cremation. Mosaic allows you to provide the necessary information and complete the required documents without the need for an uncomfortable visit to a funeral home. With Mosaic Memorial, there are no high-pressure salespeople. Our services are clearly outlined; simple, yet specific.

How is Mosaic Memorial different from a “Cremation Society?”

Also, some cremation societies charge “membership fees” in order to receive their “discounted” price. With Mosaic Memorial, there are no additional fees to take advantage of the price. Simple cremation, for one affordable price, for everyone. No membership required.

Can I pre-pay the \$1,995 Mosaic Memorial Simple Cremation price?

Absolutely. By pre-paying and guaranteeing this already-affordable price, you’ll realize an additional long-term savings. Your guaranteed price ensures that neither you nor your family will pay anything more for this service, regardless of when it’s needed. We can drop the easy-to-complete documents in the mail or collect the information from you over the phone. Once we have the information needed, we’ll contact you to finalize the pre-payment. It can truly be that easy...
