

a service of ninde funeral directors

Welcome to Mosaic Memorial

Thank you for your interest. Mosaic Memorial is an easier, more contemporary approach to cremation planning. Over the past 20 years, there's been a growing trend toward simplified memorial arrangements. Most people have no interest in going to a funeral home to plan a simple cremation, only to be met with an uncomfortable atmosphere and high-pressure salespeople.

Mosaic Memorial provides simple, affordable cremation planning.

- First, review and initial the enclosed Mosaic Simple Cremation Service description.
- Second, complete the enclosed Personal Information Record.
- Third, return the two documents to Mosaic Memorial in the envelope provided.

It's that easy... Once we receive your documents, our licensed planning consultant will contact you to confirm receipt and arrange to finalize the documents. If you have any questions or need assistance, call us at (918) 742-5556. We will be happy to guide you through the process.

Again, thank you from your friends at Mosaic Memorial...
